(2008 - 2009)

I currently lead the UI Design team of Krungsri Auto in Bangkok and have been fortunate to work on Digital Lending, Revolving Loan, Top up collaborate with a strong team

Before joining Krungsri Auto, I worked at Kapook.com, where I did hands-on work for clients such as ThaiPBS, Dasta Thailand, Thai.care (an application for Coronavirus patients) and also worked as an outsource for Krungthai Bank.

As a freelancer, I have designed and developed websites and applications for ONE31, Thai Beverage, Kavin Intertrade, SC Asset, Legal Execution Department, NAN MEE, SUN108 - Saha Pathanapibul and also taught as a lecturer at NetDesign institute.
